The poster text is:

GET ENERGIZED with a musical uprising of truth and hope from **emma's revolution**, the new duo of award-winning, activist musicians, Pat Humphries & Sandy O. Their music has been featured on **NPR's "All things Considered"** and Pacifica Radio's **"Democracy Now!"** Their songs "Peace, Salaam Shalom" and "Keep On Moving Forward" are sung at vigils and demonstrations around the world. "If I Give Your Name" was **Grand Prize Winner of the John Lennon Songwriting Contest**.

The powers that be can control the media (but) it's hard to stop a song... Pat's songs will be sung well into the 22nd century.
