**CITIZENS' EMERGENCY MOTION FOR ADDITIONAL PAGES TO
APPEAL THE BOARD'S FINAL DECISION**

This motion is filed on behalf of Nuclear Information and Resource Service, Jersey Shore Nuclear Watch, Inc., Grandmothers, Mothers and More for Energy Safety, New Jersey Public Interest Research Group, New Jersey Sierra Club, and New Jersey Environmental Federation (collectively "Citizens"). On December 18, 2007, the clerk to the Atomic Safety and Licensing Board (the "Board") e-mailed the decision of the Board rejecting Citizens' contention. LBP-07-17. Citizens intend to appeal this decision, but are finding that the 25 page limit specified by 10 C.F.R. § 2.341(b)(2) is extremely tight for a filing that petitions for review of all the issues raised in the proceeding in over two years of litigation. Without additional pages, Citizens will be unable to fully brief all of the issues raised. Citizens therefore request that the Commission grant them an additional 15 pages.¹

¹ Citizens have consulted with opposing counsel on this issue. Both AmerGen and the NRC Staff oppose this motion.

CONCLUSION

For the foregoing reasons, the Commission should grant Citizens the ability to file a 40 page petition for review.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Richard Webster", with a long, sweeping horizontal line extending to the right.

Richard Webster, Esq
