AFFIDAVIT OF DR. RUDOLF H. HAUSLER

I, Rudolf H. Hausler of full age, do solemnly swear, as follows:

1. Through Corro-Consulta, Inc., I am employed as a consultant to the Citizens groups in this proceeding.
2. The attached memorandum dated April 25, 2007 represents my current opinion on the topics it covers.
3. I believe that the currently proposed UT monitoring frequency of every four years is inadequate for the reasons stated in the attached memorandum.
4. I do not believe that the affidavits presented by AmerGen, which I have reviewed in detail, show that there are no outstanding issues left to be resolved in this proceeding.

5. I declare under penalty of perjury that this affidavit and the attached memorandum are factually accurate to the best of my knowledge, information and belief.
