Independent Auditor's Report

To the Board of Directors Nuclear Information and Resource Service Takoma Park, MD

We have audited the accompanying financial statements of Nuclear Information and Resource Service (a nonprofit organization), which comprise the statements of financial position as of January 31, 2016 and 2015, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTE A – ORGANIZATION AND NATURE OF ACTIVITIES

Organization

Nuclear Information and Resource Service ("NIRS") is a not-for-profit organization, incorporated in Washington, D.C. for the purpose of being the national information and networking center for citizens and environmental activists concerned about nuclear power, radioactive waste, radiation and sustainable energy issues.

NIRS educates and empowers individuals and groups working to end nuclear power and build a safe, clean, sustainable and affordable nuclear-free, carbon-free energy system. NIRS facilitates the ability of individuals to participate in issues that affect them, and also engages in legal actions to prevent construction of new nuclear power reactors and to promote positive changes in regularity policy.

The following is a description of NIRS's programs for the fiscal years ended January 31, 2016 and 2015:

The Nuclear 911 Campaign is an effort to take the lessons learned from the real-life disasters at Fukushima and Chernobyl and apply them to emergency response planning for reactors in the United States. Goals include expanding the size of current emergency evacuation and agricultural interdiction zones and providing more realistic and useful training for emergency responders and utility personnel.

The West Valley Project is an effort to clean up nuclear waste on the West Valley nuclear waste site in New York that has been leaking radioactive waste into the ground since 1966. In an effort to persuade the Department of Energy ("DOE") to clean up the site, NIRS has joined with other organizations and undertaken the dissemination and public release of hydrogeology studies of surface and groundwater on and offsite at West Valley. The author of the studies will meet for public briefings with elected officials, public interest allies and for media work. Public education and outreach is being carried out with events to publicize the West Valley nuclear problems. Additionally, efforts are being made to continue to track DOE physical site activities and provide detailed input on DOE's science panel and study teams.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

NIRS prepares its financial statements on the accrual basis of accounting therefore, revenue and the related assets are recognized when earned and expenses and related liabilities are recognized as the obligations are incurred.

Financial Statement Presentation

Financial statement preparation follows Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") topic Not-for-Profit entities. In accordance with the topic, net assets, revenue, gains and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of NIRS and changes therin are classified and reported as follows:

Unrestricted Net Assets - Net assets not subject to donor-imposed restrictions.

Temporarily Restricted Net Assets - Net assets subject to donor-imposed restrictions that may or will be met by either actions of NIRS and/or the passage of time. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and are reported in the statement of activities as net assets released from restrictions.

Permanently Restricted Net Assets - Net assets subject to donor-imposed stipulations that they be maintained permanently by NIRS. There were no permanently restricted net assets as of January 31, 2016 and 2015.

Cash and Cash Equivalents

NIRS considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – continued

Accounts Receivable

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year end. Annually, management determines if an allowance for doubtful accounts is necessary based upon a review of outstanding receivables, historical collection of information and existing economic conditions. Accounts deemed uncollectible are charged off based on specific circumstances of the parties involved. Management believes all receivables are fully collectible within one year and no provision for allowance for doubtful accounts is deemed necessary.

Property and Equipment

Property and equipment are stated at cost and depreciated on a straight-line basis over the estimated useful lives of the related assets, generally two to thirty-nine years. Expenditures which extend the useful life of an asset and greater than \$1,000 are capitalized, while repairs and maintenance are generally expensed.

Revenue Recognition

Grants and contributions, including unconditional promises to give, are recognized as revenue in the period in which a notification is received. Grants and contributions received with donor restrictions are recorded as temporarily or permanently restricted revenue based on the donor's intent. Expirations of temporary restrictions are reported as reclassifications from temporarily restricted net assets to unrestricted net assets.

<u>Functional Allocation of Expenses</u>

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among programs and support services benefited.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from these estimates.

NOTE C – INCOME TAXES

NIRS is a 501(c)(3) entity exempt from federal income tax under Section 501(a) of the Internal Revenue Code. NIRS is, however, subject to tax on business income unrelated to their exempt purpose.

There are no unrecognized tax benefits or liabilities that need to be recorded.

NIRS's information returns are subject to examination by the Internal Revenue Service for a period of three years from the date they were filed, except under certain circumstances. NIRS's Form 990 information returns for the years ended January 31, 2013 through 2015, are open for a tax examination by the Internal Revenue Service, although no request has been made as of the date of these financial statements.
