

Submit written comments to NRC by May 29th

Do you want to stop **every spent fuel rod from every reactor ever built in this country** from coming to New Mexico? If so, please comment to the NRC.

How can you submit written comments? **The comment deadline is May 29th.**

Download, personalize and mail the sample comment letter here: (or off the home page at www.NoNuclearWaste.org.)

You can snail mail your comment to:

May Ma
Office of Administration
Mail Stop: TWFN-7- A60M
U.S. Nuclear Regulatory Commission
Washington, DC 20555- 0001

Or email it to: Holtec-CISFEIS@nrc.gov.

Be sure to note at the start of your comment that that it is

RE: Docket ID NRC-2018-0052; Holtec International's HI-STORE CIS Facility for Spent Nuclear Fuel, Lea County, New Mexico

and include the date, your name and address (and email if you wish)

NRC's environmental Report (Rev.1) is online at:

<https://www.nrc.gov/waste/spent-fuel-storage/cis/hi/hi-app-docs.html> It includes many topics. Health, safety, transportation, liability, environmental considerations, cumulative impacts, environmental justice, geology, wildlife impacts, socioeconomic considerations... all can be included in your comments. As well as "WE DON't WANT IT!".
